Key Benefits

- **Automatic Detection**

The app automatically scans for and identifies nearby controller units

- **Time Savings**

Automatically retrieve and download the latest software updates directly from the cloud

- **Over-the-Air Programming**

Wirelessly program the Smartrise controller using a smartphone.

Ideal for tight spaces, such as machine room-less elevator installations.

- **Cost Savings**

Eliminate the need for hardware connections and physical wiring

Why Choose This Controller?

Value-Added Advantage

An app that redefines efficiency, safety, and operational convenience.

Comprehensive Package

Industry-leading elevator controllers combined with cutting-edge app technology

Discover the Advantage of Going Beyond Hardware

Experience the Future of Elevator Management.

And the best part?

It's yours for FREE with every elevator controller purchase.
